

TACO Family Volunteering Policy

TACO's family volunteering goal is make sure that the adults and the children they are supervising have the most rewarding experience possible. We will strive to place you in volunteer jobs with which you are most comfortable. We also want you to know that your safety is of utmost importance to us. In order to ensure that everyone enjoys their experience helping TACO serve its hot meals, we would like to remind you:

- To please supervise your children **at all times** while they are volunteering such as when working in the serving line, helping out on the patio or using the restroom.
- To help your children wash their hands and put on new gloves any time they use their hands for anything but serving food or helping clean up.
- To remind your children that they are here to help serve and to behave appropriately and respectfully.
- To have fun and be open to both new experiences and making new friends!
